Marietta:

I think that I signed it as a "certificate" previously, which probably locked the document. This time I just used my pdf signature, without digitally stamping the document, so let me know if this works. Many thanks and I hope that you guys win the soccer game!!

Best,

Marion J.

Here are the forms for the compensatory time. This is the best we could manipulate the document, so we hope this is acceptable.

Best,

Marion J.

Is there an update on the decision document and having it ready to send to Ed?

Also comp time forms? I haven't signed anything!
